

## RE-INKING: SELF-INKING STAMPS & DATERS

### 1/ ESSENTIAL: USE THE CORRECT INK!

USE 'REGULAR' STAMP INK. DO **NOT** USE RE-INKING FLUID/ X-STAMP INK OR SIMILAR. IF IN DOUBT, CALL US! ADVICE IS FREE!

### 2/ SELF-INKING STAMPS

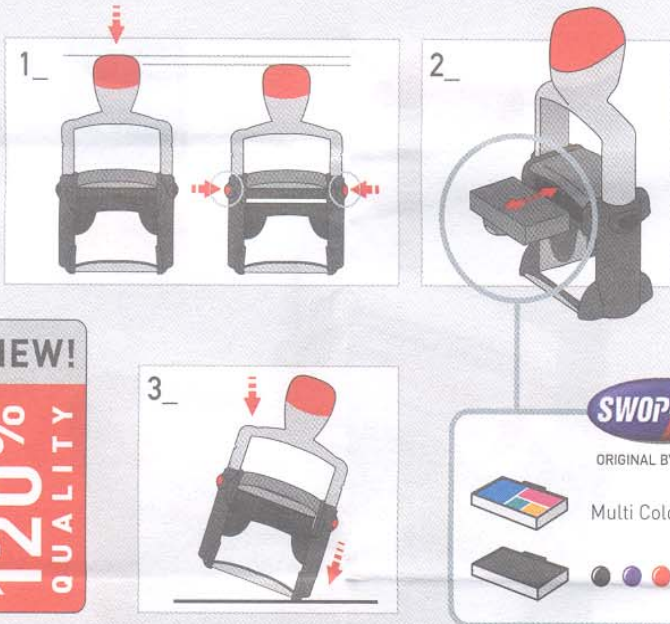

PUSH DOWN A LITTLE BIT ON THE STAMP, TO MOVE THE PRINTING DIE AWAY FROM THE PAD. TAKE THE PAD OUT. PUT **PLENTY** OF INK ON THE PAD – YOU CAN ALWAYS 'MOP-UP' ANY EXCESS WITH A PAPER TOWEL. PUT THE PAD BACK IN THE STAMP. **IMPORTANT!** YOU **MUST** PUT THE PAD BACK THE SAME WAY IT CAME OUT. IF YOU DON'T, THE 'IMPRINT' YOU SEE ON THE PAD WILL NOT MATCH THE PRINTING DIE.

### 3/ SELF-INKING DATERS

PUSH THE STAMP DOWN ALL THE WAY, AND LOCK IT IN THE 'DOWN' POSITION. TAKE THE PAD OUT. PUT **PLENTY** OF INK ON THE PAD – YOU CAN ALWAYS 'MOP-UP' ANY EXCESS WITH A PAPER TOWEL. PUT THE PAD BACK IN THE STAMP. **IMPORTANT!** YOU **MUST** PUT THE PAD BACK THE SAME WAY IT CAME OUT. IF YOU DON'T, THE 'IMPRINT' YOU SEE ON THE PAD WILL NOT MATCH THE PRINTING DIE.
